

Dial My Calls Authorization Form

As part of our Emergency Management program, The RM of Britannia has made the decision to use Dial my Calls as a system to alert the ratepayers of any Emergency situations. Dial My Calls sends text or voice messages to your cell number, there is no required downloading of any apps.

Under the legislation Section 24 & 27 of LAFOIPP Act we are required to get written permission for your name and number to be inputted into the Dial my Calls system. By signing this form you are giving The RM of Britannia permission to input your name and number to be used to inform you of any Emergency situations that may arise.

All household members that want to be included

Name: _____

Signature _____

Cell Phone Number: _____
